

WATERHOG™

PRODUCT NUMBER 235

LOGO INLAY

SURE FOOTING FOR YOUR COMPANY LOGO

Put your company logo or any message on the industry's finest indoor/outdoor mat. With The Andersen Company's unique inlay process, the logo or message is specially cut out of different carpet colors. These are then pieced together and bonded to a rubber backing to create a beautiful, long-lasting and practical image mat for any workplace.

Like all other Waterhog products, the Waterhog logo mat is easy to maintain and clean.

Available only in standard Waterhog colors.

WATERHOG™ MATS

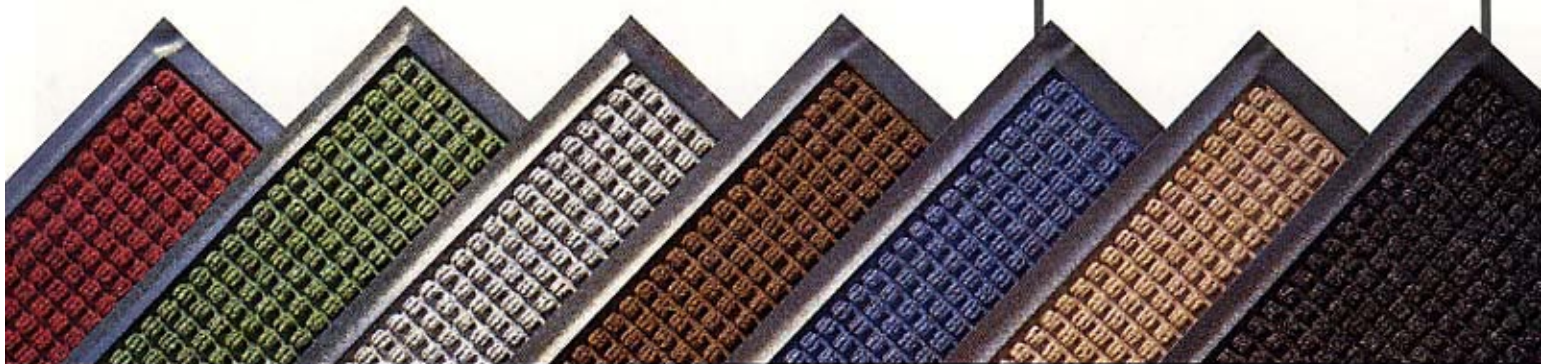

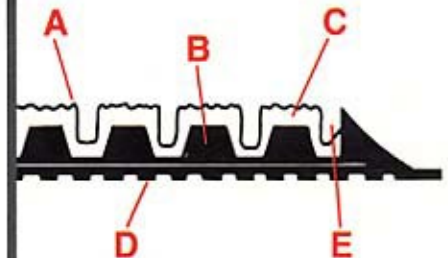

CONSTRUCTION

FEATURES & BENEFITS:

- A. Unique ridged construction effectively removes and traps dirt and moisture.
- B. Exclusive rubber-reinforced face nubs prevent pile from crushing, extending product life.
- C. 100% premium polypropylene fiber system dries quickly; won't fade or rot. Can be easily vacuumed or hosed out.
- D. Special Tri-Grip™ cleated rubber backing keeps mat in place, prevents crawling on most carpet, and provides excellent grip on hard surfaces.
- E. Exclusive "Water Dam" allows the Waterhog mat to hold up to 1½ gallons of water per square yard; water and dirt stay in mat. (Some styles available without dam for outside use, so water can drain easily.)

Not recommended for use in areas exposed to grease or petroleum products.
Passes flammability standard DOCFF1-70.

All Waterhog mats are constructed with solution-dyed polypropylene textile. This premier product is colorfast, lightfast and built to look good and last a long time. Rubber backing not adversely affected by heat or cold.
